Can You Hear Me Now?

It's a familiar feeling. You know the one. You want to do the right thing but you're not sure what that is at the moment. You've heard preachers and other Christians say, "We must do God's will." Sounds simple enough.

Yes, we want to do God's will. But you have to know what that will is in order to do it, right? What if you don't know what God's will is?

Well, here is the Good News: Our God is a living God who knows us, and loves us, and **speaks** to us. He makes His ways known to us.

"... behold, I will pour out my spirit unto you, I will make known my words unto you" (Proverbs 1:23).

"You have made known to me the ways of life..." (Acts 2:28).

"He showeth His word to Jacob, His statutes and His judgments to Israel" (Psalm 147:19).

When God says He's going to do something, you can count on it. He **NEVER** fails. He **ALWAYS** keeps His promises! Before going any further, let's be sure that we grasp – and believe – that fact.

However, His promises can only be fulfilled in our lives if we are in right standing with Him. That is the only way we can hear Him and see Him working these things in our lives. So many times, we miss hearing God's will because we plug our spiritual ears.

Lots of things can dull our spiritual hearing. Being busy (or being slothful!) can take up room that should belong to Jesus. Making parts of our lives (family, friends, school, jobs, interests, hobbies, sports, entertainment – things that, on the surface, don't seem to be bad or sinful) more important or more valuable than Christ is a big snare that keeps us from fully surrendering to or knowing God's will in our lives. We are unable to forsake those things and follow Jesus as He requires in Luke 14:23.

Beware of selfishness: It keeps us from realizing the fullness of knowing God's will in our lives. When we love ourselves more than we love God, it is impossible for us to surrender our desires for God's desires.

Instead of accepting God's will (and obeying His commands), we say we can't hear Him when, really, we just won't acknowledge His voice. We like our own ideas better. We think it's OK to ask God to give us a Plan B, one that perhaps won't be quite as costly to us.

Is there any wonder, then, that we find ourselves lost when we are looking for God's will in our lives? If we are honest with ourselves, we can't claim that God isn't speaking to us. Any problems in the lines of communication with God are on our part, not His. We are the ones who plug our ears. Intentionally or not, we choose ourselves over the Holy One of Israel, the God who redeems us, and His Son who died to pay the price for our redemption.

Despite these failures, **GOD IS ALWAYS FAITHFUL** to us. He has made a promise to us – a New Covenant that we can read about in Hebrews 8.

*"For finding fault with them, he saith, Behold, the days come, saith the Lord, when I will make a **new covenant** with the house of Israel and with the house of Judah: Not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; because they continued not in my covenant, and I regarded them not, saith the Lord. For this is the covenant that I will make with the house of Israel after those days, saith the Lord; **I will put my laws into their mind, and write them in their hearts;** and I will be to them a God, and they shall be to me a people (Hebrews 8:8-10).*

This year's B.I.B.L.E. Camp theme is "The New Covenant." We want to learn about how God has made a way to help us know Him and His will for our lives, even though we have the tendency to forget what He has done for us (Psalm 78:1-11). He writes His laws into our minds and hearts (two very stubborn parts of our being!). He does this so we can know Him as our God, our Savior and our Redeemer. This is His promise to us, His NEW COVENANT with us!

LORD, help us to love You with our whole heart and mind, soul and strength!
